

What's On Flyer

End of the 2025/26 School Year

It is the time of the year when we reflect on our year at Luston Primary School. What a busy one it has been with so many achievements and happy memories.

Cherry

As we come to the end of our very first year together, we would like to take a moment to say how incredibly proud we are of all the children. They have settled into school life brilliantly, embracing new routines, forming wonderful friendships, and building positive relationships with both the adults in Cherry Class and across the school. It has been a joy to watch their confidence, independence, and enthusiasm for learning grow throughout the year.

We have shared so many memorable experiences together, including our trips to Small Breeds Farm and Hampton Court Gardens, weekly PE lessons which have included swimming during the Spring Term, and, more recently, cricket lessons and balance bike sessions. The children have also loved taking part in singing sessions with Wendy from Encore Music, Forest School sessions, especially toasting marshmallows, whole-school TEAMS events, and our fantastic Nativity performance, all of which have created lasting memories.

The children have worked incredibly hard across all areas of the curriculum, and it has been wonderful to see the progress they have made. They have grown into increasingly confident readers and writers, particularly enjoying exploring a wide range of stories and traditional tales including The Three Little Pigs, Little Red Riding Hood and The very hungry caterpillar. They enthusiastically learned to retell these stories before using their creativity to adapt them and write their own imaginative versions.

We are incredibly proud of everything the children have achieved this year and wish them an enjoyable summer break.

Willow

Willow Class have had a fantastic year full of fun, learning and memorable experiences. We have enjoyed some wonderful trips, including visits to Tiny Town, Wild Zoo and Ludlow Castle, where we learned through exciting hands-on experiences. We have loved developing our skills in cricket with our specialist coach and have grown in confidence during our swimming lessons. One of our favourite topics was Explorers, where we discovered the incredible story of Captain Scott and his Antarctic expedition. We are so proud of everything the children have achieved this year and wish them all the very best for the next stage of their learning.

End of the 2025/26 School Year

Larch

What a busy, exciting and memorable year it has been in Larch! We have enjoyed so many wonderful learning experiences, from our visit to Birmingham's Singers Hill Synagogue and Hanbury Hall to stepping back in time with the History Man as we explored the Ancient Egyptians. We have learned to play the ukulele, developed our rugby and cricket skills, and loved studying the books of Anthony Browne, with Voices in

the Park becoming a class favourite. We have also worked incredibly hard to master our times tables and thoroughly enjoyed learning about the fascinating Maya civilisation. Thank you to all our families for your continued support throughout the year—it has been a pleasure to share such a fantastic year together.

Redwood

What a fantastic year we have had in Redwood! It has been packed with memorable experiences, exciting learning and wonderful achievements. From our amazing residential, school discos, celebration days and Summer Games to cricket coaching, dance, gymnastics and swimming; every child embraced new opportunities with enthusiasm.

Our learning journey has been just as exciting. We explored electricity, the circulatory system and space in science, travelled through Crime and Punishment and the Roman Empire in history, learnt about Christianity and Judaism in RE, and experimented with a range of materials in art. We also enjoyed singing, performing and speaking in both English and French.

Most importantly, Redwood has been a class full of kindness, resilience and friendship. Thank you for your enthusiasm, hard work and laughter throughout the year. Have a wonderful summer, and good luck in your next adventure!

End of the 2025/26 School Year

Nursery

Our nursery class kicked off the school year with a delightful trip to Kington's small breed park, where the children were captivated by the animals – particularly the goats, who proved enthusiastic recipients of their feeding efforts! It was a wonderful hands-on experience that set the tone for a year full of discovery.

Among the many books we've shared this year, one story truly stole the show: Eric Carle's 'The Very Hungry Caterpillar'. The children were thrilled to see a live production at The Courtyard in Hereford, bringing the beloved tale to life on stage. But the magic didn't stop there – back in the classroom, we witnessed our own transformation story as real caterpillars emerged as beautiful butterflies right before our eyes. Watching the children's faces light up with wonder made it an unforgettable highlight of our year. As the year draws to a close, we'll be bidding farewell and wishing good luck to our preschool children as they embark on the next stage of their learning journey in reception. We'll celebrate the year with cake and crafts for all children, along with a special graduation ceremony for our preschool graduates.

School Term Dates

2026/27

Autumn Term 2026

Term Starts	Thursday 3rd September 2026
Half Term	Monday 26th - Friday 30th October 2026
Term Ends	Friday 18th December 2026

Spring Term 2027

Term Starts	Wednesday 6th January 2027
Half Term	Monday 15th - Friday 19th February 2027
Term Ends	Thursday 25th March 2027

Summer Term 2027

Term Starts	Monday 12th April 2027
Bank Holiday	Monday 3rd May 2027
Half Term	Monday 31st May - Friday 4th June 2027
Term Ends	Wednesday 21st July 2027
