Breaktime Snacks

We always enjoy a mid morning snack to help keep us fuelled during our busy morning of learning. We wanted to highlight and reinforce that any mid-morning snacks brought from home should be healthy and an appropriate portion size such as a piece of fruit, bread sticks, or plain rice cakes.

Fruit is available in school and is free for everyone in Nursery, Cherry and Willow. Children in Larch and Redwood will need to bring their own snack from home, or purchase a piece of school fruit.

On a Tuesday and Thursday there is also the option for children to purchase a snack from the Tuesday Tuckshop and Friday Snack Shack (the money raised from this supports our Cultural Enrichment trips). If your child chooses not to participate in these, their alternative snack will still need to be suitably healthy.

Data Collection Sheets

This week we will be sending your child home with a Data Collection Sheet. This is an opportunity for you to review and update the information we hold for you and your child, including parental consents.

Please take the time to carefully check the form and make any amendments before **signing and returning it to the school office by Wednesday 30th September**. Thank you

Food Bank Vouchers

We are able to issue vouchers for the Leominster Foodbank to anyone who might need them. To request a voucher please speak with Mrs Freeman, Miss Thomas or enquire at the school office. As well as being able to provide food to those who might need some extra help, the Food Bank team are also able to offer advice and support with utilities, household finance and more.

Recycling Week Challenge!

To celebrate Recycling Week, we are challenging all pupils to create something new out of something old. More details can be found on the attached poster, but make sure your creative and imaginative projects are brought into school for display by Friday 2nd October.
