What's On

Monday 9th - Friday 13th November 2026

PE Lessons & Rugby Club

We are enjoying our Rugby lessons in PE each Wednesday and as well as Rugby club after school. However, as the field becomes wetter and muddier, we would like to request that pupils come to school wearing their normal school shoes with their PE kit and to bring their trainers to school in a separate bag to change into. We hope that this will help us to limit the amount of mud we bring back into the school at the end of PE lessons and Rugby club. Thank you of your help.

Request from Larch Class

Larch Class would appreciate donations of any unwanted packs of UNO cards to use in their maths lessons. Donations for this can be dropped off at the school office. Thank you.

FLSA Bingo

A reminder that the FLSA Bingo will be taking place in Leominster on Wednesday (11th November) - see attached poster for more details.

School Nursing Team Drop In

The School Nursing Team will be visiting us on Thursday (12th November) between 2:15pm – 4:00pm.
This is an opportunity for you to speak with the School Nursing Team regarding any health, wellbeing or other concerns you may have about your child. Appointments will need to be pre-booked and this can be done by getting in touch with the team in the school office.

Children in Need: Run for Pudsey

The School Council would like to support Children In Need this year by inviting all pupils to come to school wearing sporty clothing. In exchange they ask that you consider making a donation of £1 (or more!) to Children in Need through our JustGiving page here: www.justgiving.com/page/luston-wear-something-sporty

The theme for this year's Children in Need is *Run for Pudsey*, and our Year 6 pupils will be organising and leading activities for all children in the afternoon along this theme.

Poppy Appeal

We still have Poppies and other items available from the school office in exchange for a donation to this year's Poppy Appeal.

Cherry Class

This term, we are flying high with the wonderful story Room on the Broom – a fabulous tale full of rhyme, rhythm, magic and animation! Our dance and movement sessions are also in full swing, with the fabulous Miss Izzy leading the children through an exciting journey of creative movement and dance.

It's a term full of celebrations and special moments, from Bonfire Night and fireworks to Remembrance Day, as well as preparations for our much-loved Nativity performance, which we will be sharing with Willow Class and our Nativity songs are already filling the air!

Meanwhile, in Geography, we are beginning to explore the question "Who am I?", developing our understanding of ourselves, our homes and the places where we live.

There is so much to explore, discover and celebrate this term, and we can't wait to share the children's learning adventures with you!

Please do keep us informed about your child's adventures and discoveries at home! The children love sharing their experiences with their friends and teachers during class discussions. We would also love to hear your comments and observations about your child's learning at school, as your feedback helps us celebrate their progress and achievements together.

Willow Class

Willow Class have a very exciting half term ahead! In Geography, we will be exploring the continents and oceans of the world, which will link beautifully with our English story Meerkat Mail. We will be using this as inspiration to write our own adventures, imagining our meerkats travelling to different continents around the world. As we approach the festive season, we will also be getting into the Christmas spirit with some special Christmas-themed writing. In Maths, we will be developing our addition and subtraction skills, focusing on numbers up to 100. In PE, we are lucky to have a coach coming in to teach us some tag rugby skills. We absolutely love this half term in Willow Class, with so much to look forward to, including our Christmas play, festive activities and class parties. It is certainly going to be a busy and exciting few weeks!

Larch Class

We have lots of exciting learning ahead of us in Larch Class this half term! We are looking forward to welcoming the History Man, who will help bring our Stone Age topic to life and build on all that we have learnt. We have also begun our new class story, Paddington Bear, and have already enjoyed tasting and making some delicious marmalade sandwiches! We will be putting our own stamp on recipes and instruction writing before creating some magical Christmas Paddington stories. In Geography, we will be taking an imaginary trip to the beautiful Yorkshire Dales, exploring Malham Cove and its surrounding village, while learning about counties and Ordnance Survey map symbols. In Science, we will be exploring light, investigating how shadows are formed and having fun with some exciting experiments. We can't wait to share all the wonderful things we discover together!

Redwood Class

This half term in Redwood we are focussing on the British Coast. Our class book is Letters from the Lighthouse by Emma Carroll, which is based on evacuees during WWII and will be studied alongside our Geography focus which is the Jurassic coast. We will be looking at how the coast shapes the landscape in Dorset and learning about the features of the coastline. During English we will be linking our genres of a historical narrative, poetry and an explanation text to passages from Letters from the Lighthouse and using our VIPER skills during whole class reading. We will be exploring the topics of fractions during maths. Our science focus for the half term is 'Forces', with investigations into the effect of gravity, air resistance, water resistance and friction. On a Monday we are very much looking forward to dance with Miss Izzy along with our two week block of swimming. This half term promises to be a very busy one with the main highlight being a trip to Oaker Wood!

Value for November: Forgiveness

- Redwood Swimming - remember to bring your swimming kit
- PE lessons for Cherry & Redwood - come to school wearing your PE kit
- Football Club for Yr 3, 4, 5, & 6 pupils who have signed up - remember to bring your PE kit

SPOTLIGHT ON...

NORA British Enduro Champion:

Rhys

Congratuations to Luston's very own British Champion - Rhys!

Over the October half term Rhys competed in the latest round of Enduro racing on his auto 50 over five rounds, each lasting an hour. Having successfully completed the most laps in every round, he recieved his trophy at the top of the podium.

In becoming NORA British Enduro Champion, Rhys has shown commitment and dedication to his sport, as well as a natural talent and enthusiasm. We are very proud of Rhys and look forward to continue following his sporting career!
